## **Theater Master Remote Controls Zone 2 Audio System Operating Instructions.**

### **To Turn Zone 2 ON**

1. Push the **Main** or **Listen** button
2. Push the **Zone 2** button
3. Push **Zone2 On** to turn on zone 2
4. Select the component you want to play on zone 2.
5. You may now control the selected component using all available buttons in the lower section of the remote or additional buttons on the LCD screen.
6. Always use the wall mounted volume controls to adjust the volume on zone 2. The **Volume** and **Mute** buttons on the remote adjust the volume on the main zone only.
7. Press the **Main**, **Watch**, or **Listen** button to return control and select any component for the main zone.

### **To Turn Zone 2 OFF**

1. Pushing the main power **OFF** button turns off the main zone and zone 2. If you want to turn off zone 2 only, proceed to step 2.
2. Push the **Main** or **Listen** button
3. Push the **Zone 2** button
4. Push **Zone2 OFF**
5. You will be returned to the main menu. Press the button to select a component from the main zone.
